ATLANTIC BOOKS, United Kingdom, 2014. Paperback. Book Condition: New. 198 x 130 mm. Language: English . Brand New Book. The email home is an essential part of every gap-year traveller s journey. Where once the news of narrowly surviving a bus crash on the dirt-roads of India, waking up to gunfire in Honduras or fending off marriage proposals from complete strangers would have made it home only on the back of a slow-moving battered postcard, these days those tantalizing details and terrible mistakes are now recorded immediately and distributed liberally for every friend and family member to wince at. In Don t Tell Mum, Simon Hoggart and Emily Monk have collected together the funniest, most surreal, most alarming gap-year emails into a treasure-trove of correspondence. Accompanied by their wicked commentary, Don t Tell Mum gives the aspiring traveller the low-down on what not to do when trotting the globe.
