

Drink: The Deadly Relationship Between Women and Alcohol

By Ann Dowsett Johnston

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Drink: The Deadly Relationship Between Women and Alcohol, Ann Dowsett Johnston, The new face of risky drinking is female. The problem: a global epidemic of bingeing. The solution: a brave new approach to female recovery. This is my story, and it's particular. But I am not alone. Drinking problems challenge a growing number of women. The new reality: binge drinking is increasing among young adults - and women are largely responsible for this trend. Women's buying power has been growing for decades, and their decision-making authority has grown as well. The alcohol industry, well aware of this reality, is now battling for women's downtime - and their brand loyalty. Our relationship with alcohol is complex, and growing more so. This book will be essential reading for a huge number of women, a book that's breaks a major taboo. This will be a book for best friends to give one another, mothers to give daughters, sisters to give to each other - a book to read in hiding, when you know you're in trouble. This book will offer companionship for women of every age. It will answer a myriad tough questions. Intimate and...
