BRAND NEW PRINT ON DEMAND., A More Perfect Union: Holistic Worldviews and the Transformation of American Culture After World War II, Linda Sargent Wood, In 1962, when the Cold War threatened to ignite in the Cuban Missile Crisis, when more nuclear test bombs were detonated than in any other year in history, Rachel Carson released her own bombshell, Silent Spring, to challenge society's use of pesticides. To counter the use of chemicals-and bombs-the naturalist articulated a holistic vision. She wrote about a "web of life" that connected humans to the world around them and argued that actions taken in one place had consequences elsewhere. Pesticides sprayed over croplands seep into ground water and move throughout the ecosystem, harming the environment. Thousands accepted her message, joined environmental groups, flocked to Earth Day celebrations, and lobbied for legislative regulation. Carson was not the only intellectual to offer holistic answers to society's problems. This book uncovers a holistic sensibility in post-World War II American culture that both tested the logic of the Cold War and fed some of the twentieth century's most powerful social movements, from civil rights to environmentalism to the counterculture. The study...
