*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Clocktower Books, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Praised by reviewers, Lantern Road * is a far-future adventure of a doomed love between a human and a gorgeous alien princess. In a galaxy where humans are hated and hunted like prey during the Inversion of Man*, their affair causes scandal that only ritual suicide can fix. While Lady Ramy is forced to take her life (but wait - you don t know the whole story until the end), Jory the Velvet Thief Failure escapes to the stars - and an amazing adventure. *The title Lantern Road refers to the imperial highway circling Oba s great island in eternal night. Based on feudal Japan s famed Tokaido Road, in this novel - full of foot traffic with swinging, hurrying lanterns of all colors - it evokes the galaxies above. **The Inversion is a 2000 year dark age in humankind s long, checkered history documented by the series. Two passionate lovers, best friends since childhood - a human slave, Jory, and his alien mistress, the beautiful young princess Ramy of Oba - are discovered in a forbidden tryst. They face death together by the classic twin short-swords, inscribed with nursery rhymes doubling as suicide poems, which are routinely gifted to lovers in this dark, faraway world run by a samurai-like warrior cult. What will become of the doomed lovers? Will their Lantern Road be one of death, or will they find their way to the stars? In a terrifying, achingly far-distant future lies an alien realm that resembles feudal Japan. Old Earth is long forgotten or may never have existed. Humans are despised underpeople of the galaxy, hunted as prey, hated everywhere, cruelly enslaved on worlds like...
