Brand New Book ***** Print on Demand *****.The Algerine Captive tells the story of the upbringing, early career, and later enslavement of fictional Boston native, narrator Updike Underhill. In the final chapter of this volume, while Updike is on the African coast nursing five sick slaves back to health, he is captured and taken as a slave to Algiers. In the second volume, Updike describes his enslavement and gives an account of the country and people among which he...
