End Times Empire Rising: A Simple But Revolutionary Interpretation of Daniel and Revelation in Bible Prophecy

By Robert Anderton

Tate Publishing Enterprises, United States, 2013. Paperback. Book Condition: New. 208 x 132 mm. Language: English . Brand New Book. End Times Empire Rising will challenge your current understanding about the End Times in a comprehensive and significant way. Many teachings about this critical period don't match current world events and are sharply at odds with the writings of some of the disciples of John the Apostle, who wrote the book of Revelation. End Times Empire Rising masterfully blends current real-world dynamics with early historical perspectives to give an exciting new vision of the End Times. For example, do you know what nations comprise the Antichrist's ten-nation kingdom? They're not the ones you might expect. Do you think you know what specific threat the Antichrist will be to Jews and Christians? What if this threat also includes danger to certain Muslim nations? From long-standing topics such as the timing of the rapture and the tribulation to the Antichrist's origins, this groundbreaking book focuses on Daniel, Revelation, and critical prophetic passages in Luke and 1 and 2 Thessalonians to prepare believers spiritually and practically for the coming days.

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that I am sure that I will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
