THE FAR SIDE OF THE SKY

DOWNLOAD

St Martin s Press, United States, 2013. Paperback. Book Condition: New. Reprint. 170 x 107 mm. Language: English . Brand New Book. Weaving together intrigue, medical drama, and romance, *The Far Side of the Sky* by Daniel Kalla, brings to life an extraordinary and little-known chapter of the Second World War. Stirring and fast-paced, the novel is a sweeping account of a world in tumult and a moving saga about courage in the darkest of times. November 9, 1938 Kristallnacht. The Nazis unleash a night of terror upon German and Austrian Jews. Franz Adler, a widowed Jewish surgeon, experiences firsthand the wave of violence sweeping Vienna when his beloved younger brother is lynched. Desperate to find sanctuary for his young daughter, Franz hears whispers of Jews fleeing to distant Shanghai in the Far East. After a harrowing escape from Europe, the Adlers land in Shanghai to find it besieged by the rampaging Japanese army. But the cosmopolitan city the Paris of the East still represents the last haven for thousands of Jews fleeing the Third Reich. Franz meets Soon Yi Sunny Mah at the refugee hospital where they both volunteer. Half-Chinese and half-American, the compassionate and headstrong young nurse is an outcast in her own culture. Recognizing her ability, Franz agrees to mentor Sunny in surgery. After the attack on Pearl Harbor, tensions soar. With Japanese soldiers lurking on every corner, the threat of starvation, disease, and internment hangs over the Adlers. So does the menace from the Nazis who refuse to let go of the Jewish escapees. Franz is torn between ensuring his family s security and following his heart.
