

The Happiest People in the World: A Novel

Filesize: 4.12 MB

Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Michael Spinka)

THE HAPPIEST PEOPLE IN THE WORLD: A NOVEL

DOWNLOAD

Algonquin Books, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Brock Clarke's hilarious new novel starts out in rural Denmark, then takes us someplace really foreign and utterly weird: upstate New York. The parallel universe Clarke creates there is both our world and not, and like his baffled, yearning characters, we navigate it with surprise and wonder." --Richard Russo, author of Elsewhere "Murder, arson, adultery, drugging and drinking, cruel politics--reading a book crammed with such activities can make the timid and yearning among us feel like the happiest people in the world." --Edith Pearlman, author of Binocular Vision "If the literary category of 'mordant fable' exists at all, it may be because Brock Clarke invented it. The Happiest People in the World is everything we fans have come to love from a Clarke novel: playful and deliriously skewed, and somehow balancing between genuinely great-hearted and gloriously weird." --Lauren Groff, author of Arcadia "Brock Clarke has long been one of my favorite writers, and this novel, good lord, is his best one yet. In The Happiest People in the World, Clarke portrays, with terrifying accuracy, the lives of people who constantly ruin things without ever quite understanding why or how, which eventually gives way to a strange kind of invulnerability. There is no writer who does this better than him, creating that wonderful mixture of unexpected, sharp comedy and genuine empathy. The Danes may be the happiest people in the world, but you can easily join those ranks by simply reading this amazing book." -Kevin Wilson, author of The Family Fang "Brock Clarke's The Happiest People in the World is the funniest and smartest novel I have read in years. Set in Broomeville, New York, this madcap adventure mixes small-town teachers, bar keeps, teenagers...
