Given the opportunity, would you assume someone else s identity and leave your old life behind? One winds up dead and the other finds herself a fugitive, hiding behind one lie after another as a cold-blooded killer methodically hunts her. Desperately trying to stay alive, the terrified woman enlists the help of Forensic Instincts, a rogue investigative team that clandestinely operates in the gray area between legal and illegal. Safeguarding their client s deception, Forensic Instincts digs into dangerous territory as they try to find out who s after their clientand why. Meanwhile, bodies are piling up in Chicago, New Jersey, and Vermont as a megalomaniacal genius will stop at nothing to eradicate anyone who threatens the success of his medical breakthrough. With an unhinged client and a monstrous criminal enterprise as its adversary, Forensic Instincts is forced into uncharted territory to protect their client and save one of their own from becoming the next corpse.
