

## The Shop Committee: A Handbook for Employer and Employee (Classic Reprint)

---

By William Leavitt Stoddard

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Shop Committee: A Handbook for Employer and Employee This book is neither a treatise, a history, nor a complete study of the shop committee movement in the United States and abroad. It is primarily a handbook, designed to present only the essential principles and facts about this movement to those who desire to know what shop committees are and how they work in a few of the many instances in which they have been established. This book is largely the result of the writer s experience as an administrator for the National War Labor Board, somewhat broadened by research in the field outside of the activities of that Board. This field is but recently come under cultivation: the shop committee is a new thing in industry and is still in the stage of experiment. All the signs, however, indicate that the experiment is a promising one and that for many years to come workingmen and employers will continue in increasing numbers to develop intra-factory machinery intended to eliminate friction, bring about good relations, and...

### Reviews

*This composed book is excellent. it was actually writtern very perfectly and valuable. I found out this book from my i and dad advised this book to learn.*

-- **Maymie O'Kon**

*Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Lupe Connelly**
