Inspired by true events and a family tradition spanning over 30 years, The Magic Gingerbread House tells the story of 5 of Santa s Elves-Hans, Grietal, Kirsten, Franz, and Stefan who teach sisters Meghan and Mollie, and their friend Sammy, about the power of hope and believing in the magic of Christmas. Once the house is built, the elves come to live with the girls at night to get a respite from the North Pole. Each night the Elves come alive and have fun at the house and leave a special note of encouragement to the girls. Sammy is lonely as both her parents have been deployed to the Middle East, and she has moved to town to live with her grandparents. With the help of the Elves, the girls learn to have hope and believe in the magic of Christmas.
