LA DESCENTRALIZACIÓN Y LA COMPETENCIA MUNICIPAL EN VENEZUELA

DOWNLOAD

Book Condition: New. Publisher/Verlag: Dictus Publishing | Este trabajo de investigación tiene como objetivo, mostrar la evolución del proceso de descentralización y la competencia de los municipios, en el periodo 1999 /2011, en cuyo análisis se observa a partir del 99, las intenciones de continuar con el proceso descentralizador que emerge a raíz de la constitución de 1961 y reafirmados en la Constitución de la República Bolivariana de Venezuela 1999. No obstante, la posición política imperante basada en el socialismo del siglo XXI, genera las motivaciones para crear y modificar todo un cuerpo de leyes, incluyendo las relativas a los Consejos Comunales, que lejos de consolidar la descentralización municipal, frenan este proceso, creando desconcierto e incertidumbre. La investigación se abordó en un contexto documental bibliográfico, se concluye, con algunas reflexiones sobre la incidencia que tiene para la comunidad y el municipio, la centralización del poder y la prestación del servicio a la comunidad. Asimismo, se plantea la responsabilidad social y la rendición de cuentas en municipios venezolanos. | Format: Paperback | Language/Sprache: spa | 56 pp.
