

Life Conquers Death: Meditations on the Garden, the Cross, and the Tree of Life

By John Arnold

ZONDERVAN, United States, 2008. Paperback. Book Condition: New. 212 x 140 mm. Language: English . Brand New Book. How can we come to understand more fully our own story of sin and redemption? This beautiful series of meditations addresses that need. Each chapter moves us one step along the path, and we re also guided by the author s metaphors of wood, trees, and the cross of Christ as we travel. We start in the garden of Eden, and end at the Tree of Life in the New Jerusalem. Along the way, we encounter biblical passages, pictures by Rembrandt, and insights from such great works of Russian literature as A Tree Falls in Siberia as the author brings important questions to our attention. John Arnold has created a series of contemplative readings that will remain with the reader long after reading them.
