

The Church Organization Manual

By Robert H Welch, Kevin Walker

Nacba Press, United States, 2011. Paperback. Book Condition: New. 279 x 213 mm. Language: English . Brand New Book ***** Print on Demand *****.Church policies and procedures will have a definite impact on the working and personal relationships of the personnel who comprise the church professional, lay, and support staff. If one is to consider this group a team, then each member must work together in a coordinated effort. Consider a football team. They have a playbook that describes what each player is to do for a particular play. When the quarterback calls a play, each member of the squad knows what he is to do to cause the play to be a success. Even the players on the sideline know the play requirements. It might be said that such is the same for a church staff and the individuals within the church who make up the total team. It is suggested that the presence of a church playbook is essential for the success of the ministry. We will call this playbook the CHURCH ORGANIZATION MANUAL.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
