Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.WARNING: This is not the actual book *Command Authority* by Tom Clancy. Do not buy this Analysis if you are looking for a full copy of this great book. If you are looking to get the most enjoyment out of *Command Authority*, this analysis will help you uncover underlying themes and gain a better understanding of the key characters. As usual, Tom Clancy drops his readers straight into the action for an exciting and engaging experience as with the case in *Command Authority*. Consider the dynamic relationship between father and son as President Ryan and Jack, Jr. complement each other's strengths to prevent corruption in Russia. This analysis of *Command Authority* takes you deeper into the story and characters to provide a more encompassing read. Tom Clancy's first posthumous novel, *Command Authority*, does not disappoint fans of his previous political thrillers. Protagonist Jack Ryan returns to deal with a 30-year-old mystery involving a Russian assassin and a corrupt leader on the rise. The KGB will stop at nothing to achieve its goals, even if it means targeted attacks and the outbreak of war. When the threat of global conflict comes into play, Jack Ryan, Jr. takes action alongside his father to uncover KGB secrets and secure international safety.
