The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

Carcenet Press Ltd. Paperback. Book Condition: new. BRAND NEW, Selected Poems: Secular and Sacred, Richard Crashaw, Robin Holloway, One of the greatest English poets of the mid-seventeenth century, Richard Crashaw is still widely neglected and misunderstood. Published to celebrate the 400th anniversary of his birth, this new selection of his work aims to help restore him to his rightful place. Skilfully and sensitively arranged by Robin Holloway, Professor Emeritus of Musical Composition at the University of Cambridge, this selection unfolds in a sequence of movements and intermezzi, Crashaw's secular verse forming a lively counterpoint to his beautiful devotional poetry. The selection also includes some of Crashaw's Latin verse, with wholly new English translations.
