FOR COMMON THINGS: IRONY, TRUST AND COMMITMENT IN AMERICA TODAY

Random House USA Inc, United States, 2000. Paperback. Book Condition: New. 202 x 130 mm. Language: English . Brand New Book. Jedediah Purdy calls For Common Things his quot; letter of love for the world s possibilities.quot; Indeed, these pages--which have already garnered a flurry of attention among readers and in the media--constitute a passionate and persuasive testament to the value of political, social, and community reengagement. Drawing on a wide range of literary and cultural influences--from the writings of Montaigne and Thoreau to the recent popularity of empty entertainment and breathless chroniclers of the technological age--Purdy raises potent questions about our stewardship of civic values. Most important, Purdy offers us an engaging, honest, and bracing reminder of what is crucial to the healing and betterment of society, and impels us to consider all that we hold in common.
