Engaging Theologians

By Aidan Nichols

Marquette University Press. Paperback. Book Condition: new. BRAND NEW, Engaging Theologians, Aidan Nichols, In Engaging Theologians, Aidan Nichols explores the work of a number of major writers who have inspired him at different points over the last forty years. They are theologians who engage with a wide range of doctrinal topics and do so in a way that is both robust and persuasive, which makes them, he believes, engaging in a rather different sense of that word. Each chapter begins with a short autobiographical preface, explaining why each writer (or pair of writers) was chosen. The selection reflects the ecumenical breadth of the authors life. While his family were Anglicans, his conversion to a consciously held dogmatic Christianity came via Eastern Orthodoxy, but was lived out in a Catholic setting, in the United Kingdom or beyond. Hence there are chapters on the Anglo-Catholic systematician Eric Mascall and the Orthodox spiritual theologian Olivier Clement as well as on a trio of Jesuits Jean Danielou, Henri de Lubac, and Avery Dulles, the first two of whom are giants of the movement of ressourcement common to all three Christian traditions (Rome, Canterbury, Constantinople) as this is. Aidan Nichols considers that Hans Urs von...

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
