BRAND NEW, What Would Apple Do?: How You Can Learn from Apple and Make Money, Dirk Beckmann, In 2011, Apple officially became the most valuable company of all time. iPod, iPad, iTunes, App Store - the list goes on. Apple's must-have products add up to one giant success story. So what's their secret? What makes Apple the most innovative company on the planet? The answer: Apple does exactly the opposite of what any other company would do. Unlike the competition, Apple develops devices and programs by concentrating on a small number of functions. (short and sweet, just how Apple would do a book) brilliantly and concisely reveals how you can learn from Apple to develop compelling business ideas and market them successfully.
