

## Politics and Transcendent Wisdom: The Scripture for Humane Kings in the Creation of Chinese Buddhism

Filesize: 1.33 MB

### ***Reviews***

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## POLITICS AND TRANSCENDENT WISDOM: THE SCRIPTURE FOR HUMANE KINGS IN THE CREATION OF CHINESE BUDDHISM

Pennsylvania State University Press, United States, 2008. Paperback. Book Condition: New. annotated edition. 224 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Politics and Transcendent Wisdom presents a systematic theoretical framework for understanding the relationship between politics and religion in a variety of contexts. This book examines the formation of national protection Buddhism in China and translates the key text of this important movement. Showing that Buddhist notions of sovereignty were meant and were taken as more than mere metaphor, Orzech examines the profound link between Buddhist notions of transcendence and the deployment of political authority in East Asia. To this integration of philosophical tradition and political history is brought a new understanding of Buddhist cosmology. The contexts of Buddhism as state religion in fifth- and eighth-century China are examined in detail, through extended consideration of the Transcendent Wisdom Scripture for Humane Kings Who Wish to Protect Their States, the text that was the charter for Buddhist state cults in China, Korea, and Japan into the twentieth century. The text first appeared during the fifth century as Buddhists were struggling to understand how their foreign religion and the foreign rulers of north China might be adapted to Chinese religious and political culture. The Scripture for Humane Kings and the rites enjoined by it were one answer to these questions. Three centuries later, in the context of a fully sinified Buddhism, the Tang dynasty Tantric master Pu-kung produced a new version of the text with new rites that served as the centerpiece of his vision of a Chinese Buddhist state modeled on esoteric lines. The final section of this volume presents for the first time a full, annotated translation of this important East Asian Buddhist text.
