

## Seeing and Being Seen: Tourism in the American West

By -

University Press of Kansas. Paperback. Book Condition: New. Paperback. 328 pages. Dimensions: 8.8in. x 6.0in. x 0.9in. You can see them cruising for Indian art in Santa Fe, waiting for Old Faithful at Yellowstone, or pausing for shrimp cocktails on San Franciscos Fishermans Wharf. The American West attracts vacationers of every stripe, who comb its varied landscapes for the ultimate trip. And for better or worse, those who come to see this multifaceted region have changed what they have come to see. Seeing and Being Seen explores the history of tourism in the American West and examines its effects on both the tourists and the places and people they visit. Scholars from the humanities, social sciences, and business-Patricia Nelson Limerick, Hal Rothman, and others-join government and National Park Service professionals to investigate the dilemmas that tourism poses for western communities, from economic and environmental questions to cultural change. The selections are organized around three broad topics: scholarly perceptions of tourism, tourists, and those toured upon; tourism in its historical context, including an assessment of its cultural impact on communities and on tourists themselves; and the history and impact of tourism on the Wests national parks, with particular emphasis on efforts to...
